

# 1ST INTERNATIONAL VIRTUAL HERITAGE SCHOOL

virtual museums, communication and  
digitisation in emergency situations

Do you want to learn how to rapidly develop and process digital heritage? Do you want to learn how to successfully communicate Cultural Heritage through interactive and other technologies?

The 1st international Virtual Heritage School, organised by leading European institutions in the field of Virtual Heritage and Virtual Museums (V-MUST.NET) and by the main worldwide organisation on conservation and restoration (ICCRUM), will address these topics and involve participants in interactive laboratories on Virtual Museums and Virtual Heritage.

**If you have a strong interest in the topics, if you are working or studying in the field of cultural heritage and museum, V-MUST.NET and ICCROM is organising, in cooperation with BMTA and Fondazione Paestum, the**
